

DO YOU HAVE AN EYE FOR DETAIL AND STRIVE TO PRODUCE QUALITY PRODUCTS?

ARE YOU READY TO HELP SHAPE THE FUTURE OF AUTONOMOUS VEHICLE SAFETY?

Assembly Technician 1

Location: La Grande Oregon

Overview

This position will consist of following step by step build instructions, data entry, soldering components on PCBs and building of assemblies that will be used for electronic devices. We strive to have high quality products be manufactured for our customers.

Essential Functions

Reasonable accommodations will be made to enable individuals with disabilities to perform the essential functions.

- Basic Soldering (PTH and low level SMT)
- Thorough build file use and competency
- Box preparation with pneumatic tools & drill press
- Cable subassembly
- Proper box cleaning
- Basic Sub-Assemblies
- Self-sufficient, able to solve issues with provided documentation.

Key Responsibilities:

- Comply with all safety, training, and company procedures
- Work efficiently as an individual and a team
- Work toward competency of all basic production skills
